The following issue(s) have been raised to assist the council. The council is recommended to take action on the following issue(s) to ensure that the council acts within its statutory and regulatory framework.

#### Approval of Annual Return

##### *What is the issue?*

The Minutes of the authority indicate that the Accounting Statements (Section 2) of the annual return has been approved before the Annual Governance Statement (Section 1).

The Accounts and Audit Regulations 2015 prescribed order for the approval of the Annual Return, regulation 6(4)(a) states that "The annual governance statement...must be approved in advance of the relevant authority approving the statement of accounts"

##### *Why has this issue been raised?*

The Annual Governance Statement and Accounting Statements have not been approved in accordance with the Accounts and Audit Regulations 2015.

##### *What do we recommend you do?*

The smaller authority must ensure in future years that the Annual Governance Statement is minuted before the Accounting Statements.

Further guidance on this matter can be obtained from the following source(s):

The Accounts and Audit Regulations 2015 - [Legislation.gov.uk](http://legislation.gov.uk)
